constantly grows?**

The background of the entire image is a dense, close-up photograph of green basil leaves. The leaves are vibrant green with visible veins and are arranged in a way that creates a textured, organic pattern. A semi-transparent dark green horizontal band runs across the middle of the image, serving as a backdrop for the text.

PASSION LED US HERE

A person wearing a white lab coat is shown from the chest down. Their hands are covered in various colors of paint (red, blue, green, yellow). They are holding a paintbrush that is also covered in paint. The background is a blurred white lab coat. The text "Let's try and will see" is overlaid in white on a semi-transparent dark blue background.

Let's try and will see

The background is a dark, deep blue or black space filled with dynamic, glowing light trails. These trails are primarily in shades of vibrant red and bright cyan/blue. They appear as long, curved, and sometimes intersecting lines, suggesting movement, energy, or perhaps light captured in a long-exposure photograph. The trails vary in thickness and brightness, with some appearing as sharp, intense lines and others as softer, more diffuse glows. The overall effect is one of high-tech, futuristic, or energetic motion.

Whose turn?

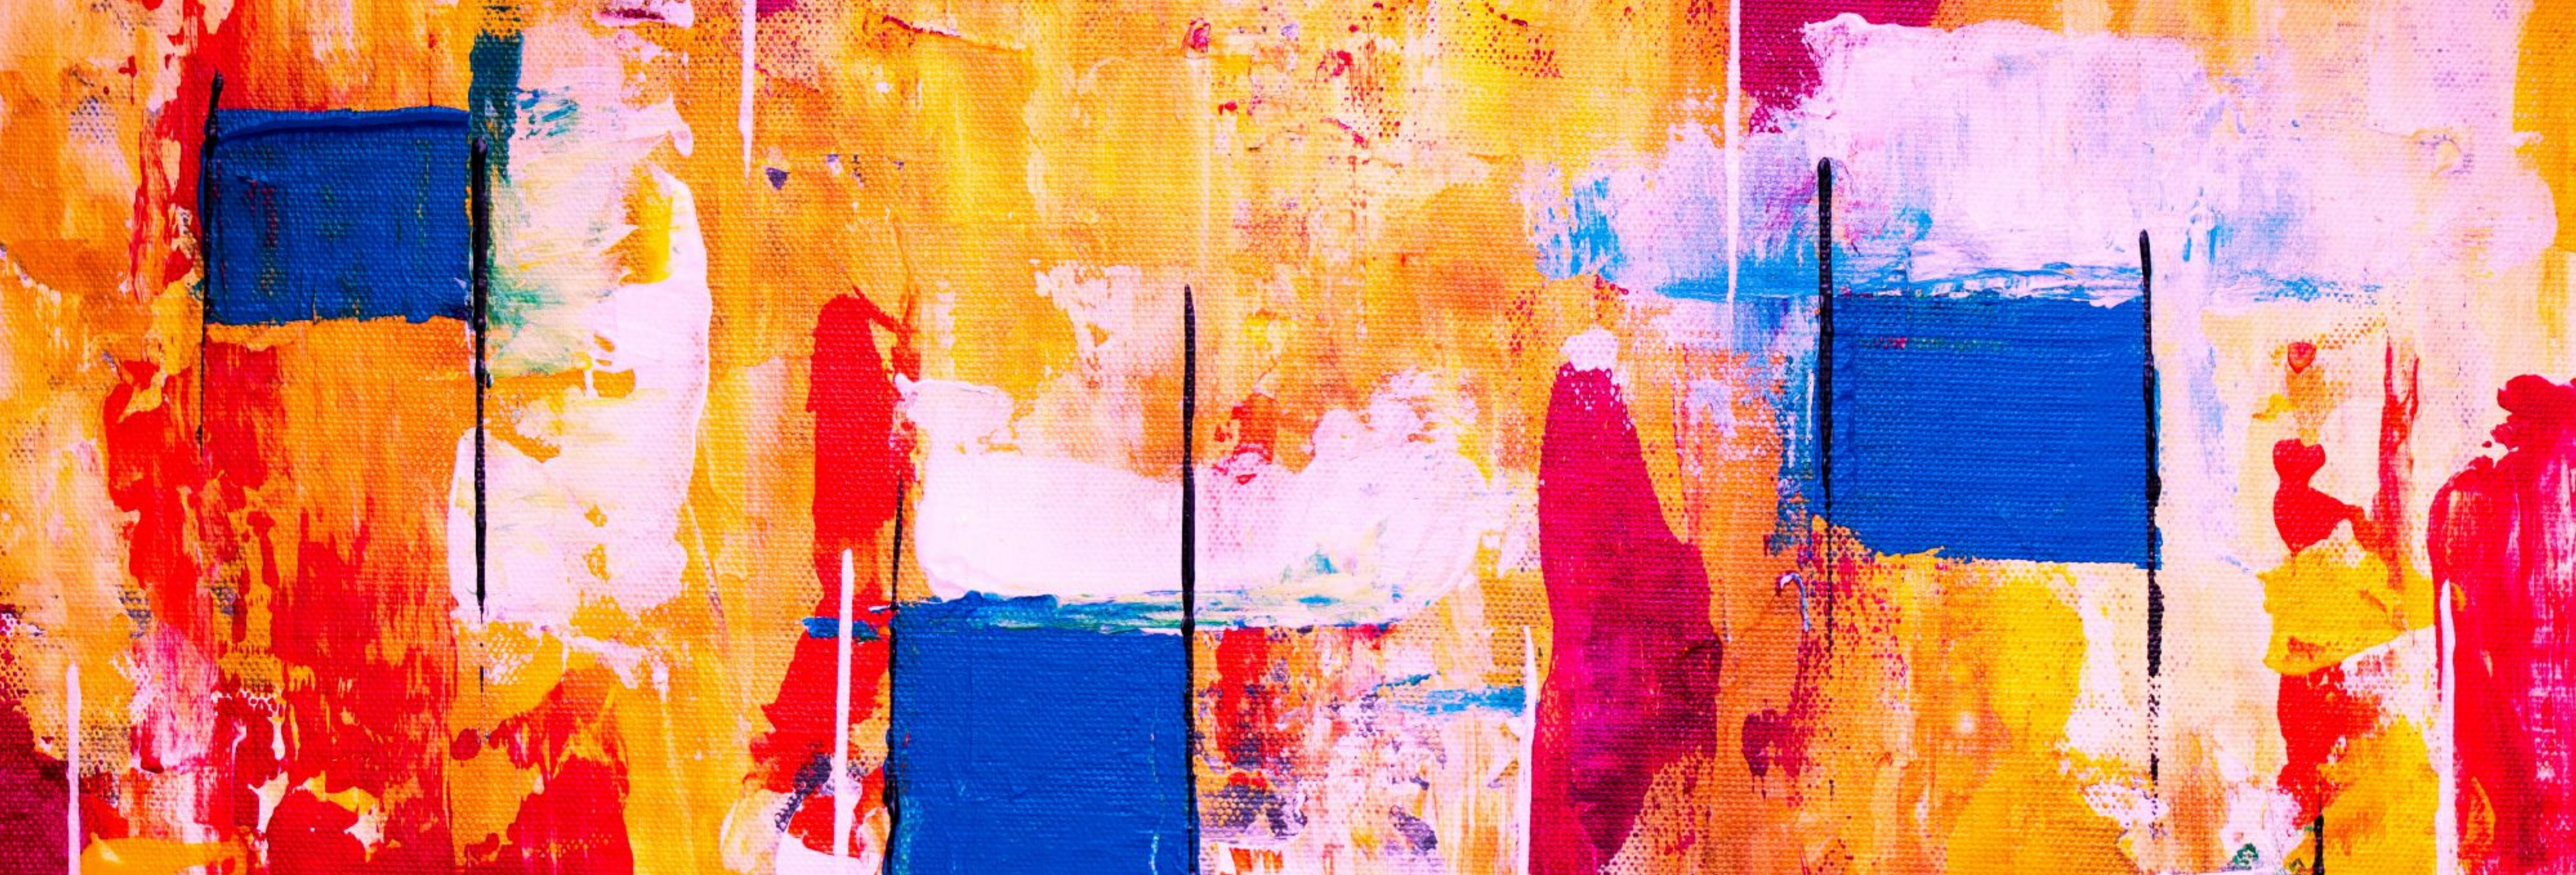

A close-up photograph of a hand holding a lit sparkler. The sparkler is in the foreground, with a bright, glowing center from which numerous thin, golden-yellow sparks radiate outwards in all directions. The sparks have a trailing effect, appearing as long, thin lines of light. The background is a deep, dark blue, suggesting a night sky. In the bottom left corner, a portion of a hand is visible, holding the thin metal stick of the sparkler. The lighting is warm and focused on the sparkler, creating a strong contrast with the dark background.
