# Standard functions

The screenshot displays the easyBI interface with a table view selected. The table lists various product categories and their sales data for March 1997. A context menu is open over the 'Store Sales' column, offering options like 'Drill into', 'Add calculated', 'Select this', 'Remove', 'Order by', 'Top rows', 'Bottom rows', 'Filter rows', and 'Cell formatting'. The 'Add calculated' option is highlighted, and a sub-menu is visible showing statistical functions: Average, Median, Min, Max, % of total, Cumulative sum, Linear trend, Time ago, Sparklines, and Empty as 0.

	Store Sales	Store	Store	Store Sales bars

The screenshot shows the 'Issues' section of the eaZyBI Jira interface. The top navigation bar includes 'Home', 'Source Data', 'Analyze', 'Dashboards', and 'Jira'. The 'Issues' section header is followed by 'Empty', 'Size: 27.5 MB', and 'Last import: about 21 hours ago'. Below this are buttons for 'New report', 'New folder', 'Import reports', and 'Export reports 18'. A table lists three sample reports: 'Samples Jira Issues', 'Samples Jira Software', and 'Samples Time Tracking'. The table has columns for 'Name', 'Created', 'Owner', 'Updated', 'Updated by', and 'Actions'.

The screenshot shows the 'easyBI Documentation' website. The browser's address bar displays 'docs.easybi.com/easybi'. The page features a red header with the 'easyBI Documentation' title and navigation links for 'easyBI Core', 'easyBI for Jira', 'easyBI for Confluence', and 'Private easyBI'. A search bar is positioned below the header. The main content area is divided into six colored boxes, each representing a different section of the documentation: 'Getting Started' (green), 'Set Up & Administer' (blue), 'Data Import' (purple), 'Analyze & Visualize' (red), 'Publish Reports' (yellow), and 'Learn More' (purple). Each box includes an icon and a list of sub-topics. A blue circular icon with a white envelope is located in the bottom right corner.

An aerial photograph of a dense urban landscape at night, featuring numerous illuminated skyscrapers and buildings. The image is overlaid with a gradient that transitions from a deep red on the left side to a dark blue on the right side. Centered over this background is the text "Thank you!" in a large, white, sans-serif font.

# Thank you!
